READING 01

Before Class

THE STORY

It is Monday morning, and Miki is early for class. She goes to her classroom and sits in her chair. She puts her pencil case, notebook, and textbook on her desk. She takes out a pencil, an eraser, and a ruler.

The teacher writes instructions on the board: **"Make a paper picture."** Miki also needs scissors and glue. She looks in her locker, but the scissors are not there. She asks Ken for help. Ken finds the scissors near the computer.

Miki finishes her picture. She puts the paper scraps in the trash can. When the bell rings, Miki is ready for class.

READER'S NOTE

Miki has a small problem. Find the problem and follow how it is solved.
